To book your place on stage, get in touch via the website www.botolphgreen.net

Plus local band **THE SHADES OF GREEN**

Can You Help?

Orton Longueville Parish Council is once again providing vital support to the Festival and we are very grateful to them for helping us to continue with a full weekend of events

Unfortunately, the City Council has felt unable to offer any financial support this year and leaves us needing to seek help elsewhere

If you know of local businesses or individuals who would like to support the Festival by sponsoring a race or in any other way, please get in touch via the website

www.botolphgreen.net
